## SPECIAL RULES.

West bound trains are superior to east bound trains of the same class—See rule 13.

Before entering main line at K. V. Ry. Jct., a flagman must be sent out to protect against main line trains.

All trains must come to a full stop not less than 200 or more than 800 feet from draw bridge, one mile west of Bonner's Ferry, and will not proceed until draw bridge is known to be closed.

Between Wilkes and Sirdar Jct., trains use C. P. R. tracks, and crews will be governed by C. P. R. rules and time table, and will observe all special rules and bulletins in effect.

On C. P. R., Mountain Standard Time (one hour faster than Pacific Standard Time) is used.

Frog at Wilkes is out. When necessary to use C. P. R. tracks between Wilkes and Sirdar Jct., arrangements must be made with C. P. R. at Creston, and orders received at that point.
