SPECIAL RULES.

3

1. Trains East-bound have absolute right of track over Trains of same or inferior class West-bound. See Rule B4.
2. All trains will be handled under absolute control and without regard to making schedule time at all points where land or snow slides and falling rock are liable to be encountered.
3. Destroy all previous time-tables. See Rule 20.
4. Full-faced figures denote meeting and passing points. Refer to corresponding figures on same line of time-table.
5. Trains will be governed by Pacific Standard Time. Clocks regulated to Standard Time are located at telegraph offices, Spokane, Leavenworth and Skykomish.
6. Trains will date from time due to leave terminals. East Spokane and Lowell will be considered terminals for passenger trains; East Spokane, Leavenworth, Skykomish and Lowell for freight trains.
7. Conductors will register at East Spokane, O. R. & N. Junction, Spokane, Leavenworth, Cascade Tunnel, Skykomish and Lowell, stating, under head of "Remarks," whether or not signals are carried, and, if carried, from and to what points.
8. Bulletin books are located at East Spokane, Spokane, Leavenworth and Skykomish, and must be examined by conductors and engineers daily.
9. Trains will use Oregon Railway & Navigation Company's track between O. R. & N. Junction and Spokane; Seattle, Lake Shore and Eastern track between Spokane and Great Northern Junction; Everett & Monte Cristo track between Lowell and Everett Junction. Train and enginemen will provide themselves and be governed by time-tables of O. R. & N. Co. and B. & M. C. Ry. Great Northern time-table will govern use of S. L. S. & E. track.
10. Station Mile Boards indicate Yard Limits at East Spokane, Leavenworth, Skykomish and Lowell. Freight and irregular trains and light engines will move under absolute control between limits named, expecting to find main track occupied.
11. Trains and light engines will stop at crossing S. F. & N. Ry., Spokane; Spokane River bridge; and draw-bridge $\frac{1}{2}$ mile east of Snohomish.
12. All trains reduce speed to eight (8) miles per hour through City of Spokane; over Spokane River bridge, Crab Creek bridge west of Edwall; all bridges between Quincy and Columbia River; through Martin Creek tunnel and bridges at each end, and Foss Creek Bridge three miles east of Skykomish.
13. Freight trains will not exceed speed of scheduled freight trains in same direction between Great Northern Junction and Highland, Quincy and Columbia River, Old Mission and Skykomish.
14. In passing over Switch Back between Cascade Tunnel and Wellington, all trains will be under jurisdiction of Conductor in charge of Switch Back engines. All trains must have an engine on each end. Road crews will render necessary assistance in handling their trips.
15. This Time Table does not convey to trains the right to run between Cascade Tunnel and Wellington in either direction. All trains will be moved between these points by train orders only.
16. Trains 15 and 16 will not carry passengers between Leavenworth and Everett Junction.
